

REMARKS

Claims 1-49 are now pending in the application. Claim 1 has been amended for the Examiner's consideration and Claim 49 has been added.

Applicants have submitted corrected drawings including amended Figure 9, which includes a corrected reference number "104." This correction was previously made by amendment in the original patent but was erroneously omitted from the published patent.

Prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
